

Submit Your Paper to the 60th CIRP Conference on Manufacturing Systems 2027

Before submission, please make sure your manuscript is prepared according to the conference template. These templates are provided as doc und latex under the following links. Submission of an abstract or paper without using this template is subjected to a desktop rejection.

Access the Submission Platform and Log In

Click the submission link provided by the conference organizers. You will be redirected to the Elsevier submission platform.

Log in using your existing Elsevier account. If you do not yet have an account, click **Register** and create a new account following the on-screen instructions.

Alternatively, you can sign in using your **ORCID** account.

The screenshot shows the Editorial Manager login interface for Procedia CIRP. The browser address bar displays 'www.editorialmanager.com/procir/default.aspx'. The page header includes the 'em' logo, 'Procedia CIRP', and links for 'Home', 'Submit a Manuscript', 'About', and 'Help'. A central black banner reads 'Welcome to Editorial Manager® for Procedia CIRP'. Below this, a white login box titled 'Please Enter the Following' contains the following elements:

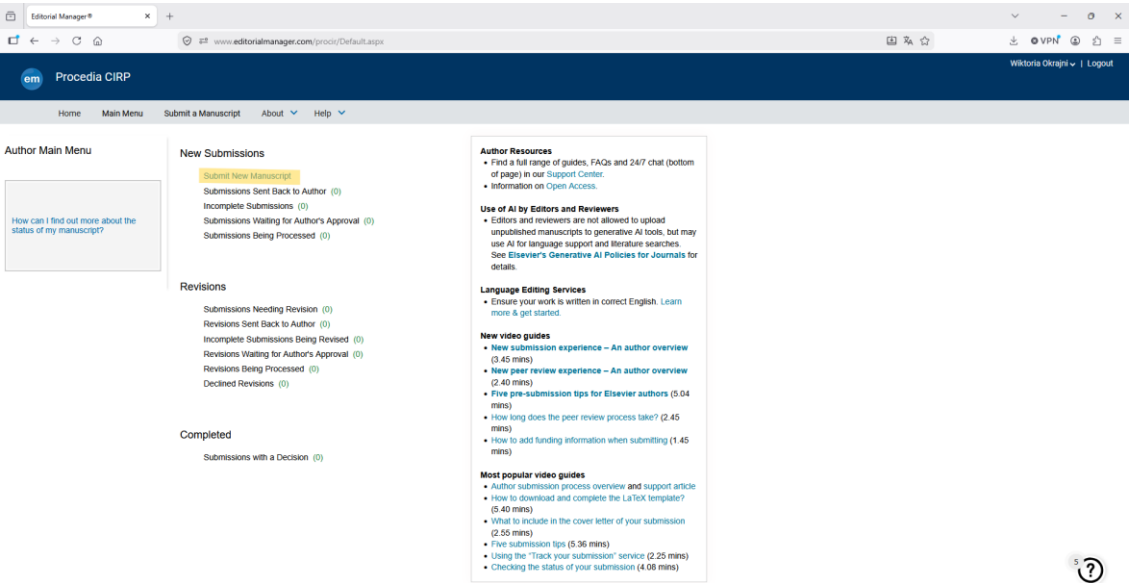

- A link for 'Insert Special Character'.
- A section 'Sign in or register with Elsevier account' with a 'What is it?' link and an 'Elsevier account' button.
- A section 'Alternatively, use your username and password' with fields for 'Username:' and 'Password:', and buttons for 'Author Login', 'Reviewer Login', 'Editor Login', and 'Publisher Login'.
- An 'Or Login via:' section with an ORCID icon and a 'What is ORCID?' link, followed by links for 'Send Login Details', 'Register Now', and 'Login Help'.
- A 'New: Login with your Elsevier account' section with instructions and bullet points: 'Click the Elsevier [E] button to login or create your Elsevier account.', 'You must be registered in this journal, and', and 'The email you registered with must be in your Elsevier account.'.
- A note: 'How to add additional email addresses to your Elsevier account.'.
- A footer note: 'You can still login via your Editorial Manager username and password or ORCID account. Learn more about how to use your ORCID account.'
- Copyright information: 'Software Copyright © 2026 Arise Systems Corporation. Arise Privacy Policy | Data Privacy Policy'.

At the bottom of the page, a black navigation bar contains links for 'Instructions for Authors', 'Instructions for Reviewers', 'About the Journal', and 'Contact Editorial Office'. A small circular icon with a question mark is visible in the bottom right corner.

Start a New Submission

After successfully logging in, you will see the submission dashboard.

Click **Submit a New Manuscript** to begin the submission process.

Select the Correct Article Type

You will see a list of your Procedia CIRP submissions. Click **Start a New Submission**.

⚠ Important: Select **SI:CIRP CMS 2027** from the article type list. This ensures that your paper is routed to the 60th CIRP Conference on Manufacturing Systems review process. Choosing a different article type may result in your paper being submitted to the wrong collection.

Enter Manuscript Information

Complete all required submission details, including:

- Paper title
- Author information
- Corresponding author details
- Affiliations
- Any additional metadata requested by the platform

Carefully verify that all information is correct before proceeding.

The screenshot shows a web browser window with the URL `submit.elsevier.com/PROCIR/bca53193-8db3-451b-9e8c-d7762970d65/steps/metadata`. The page header includes the Elsevier logo, "Submit your manuscript", and links for "Your submissions", "Account", and "Sign out". The main heading is "Procedia CIRC". Below this, a message states: "This is a new submission service. Your feedback will help us improve it." The primary section is titled "Check or add your title" and includes a sub-message: "We were unable to extract these details automatically. Please fill them in." Under the heading "Your title", there is a text input field containing "Test Paper" and a "Save and continue" button. To the right, a "Submission tasks" list shows seven steps: 1. Choose your article type (checked), 2. Upload your submission files (checked), 3. Check or add your title (active), 4. Check or add your author details, 5. Decide if you want to publish open access, 6. Provide additional information, and 7. Review and submit. The footer contains links for "Contact and support", "Accessibility statement", "Terms and conditions", and "Privacy Policy", along with a RELX logo and a cookie consent notice.

Upload Your Manuscript

Upload the manuscript file according to the conference formatting requirements.

Ensure that:

- The correct file version is uploaded.
- The manuscript complies with the conference template and submission guidelines.
- All required files have been attached.

The screenshot shows a web browser window with the URL `submit.elsevier.com/PROCIR/bca53193-8db3-451b-9e8c-d7762970965/steps/submission-files-upload`. The page is titled "Upload your submission files" and contains the following sections:

- Upload your required files**
 - These are the required files. You can read more about upload requirements in the instructions.
 - Abstract File added
 - Declaration of competing interests Confirmed
 - Full/Revised Manuscript (Source File) - do not use Upload file

Use our [declaration of interest tool](#) to generate and download your Word file before uploading it here. The tool also explains what you are required to declare.

Or confirm that there are no competing interests.

☒ I confirm that no authors of this manuscript have any competing financial or non-financial interests, currently or previously, including serving in an editorial capacity for the journal we are submitting to.

Instructions for required files

Ensure you have followed the guide for authors for all submission and if specified, cover letter requirements. [Procedia CIRP guide for authors](#)

Declaration of competing interests statement

When submitting, you are required to declare **any competing interests**. You must disclose any competing financial or non-financial interests on behalf of all authors of your manuscript, including whether any authors **currently are or have been** editors or serving on an editorial board of the journal you are submitting to. Your upload must be a **Word file**.

Instructions for optional and supplementary files

Supplementary materials

If your article includes any videos and/or other supplementary material, this should be included in your initial submission for peer review purposes.

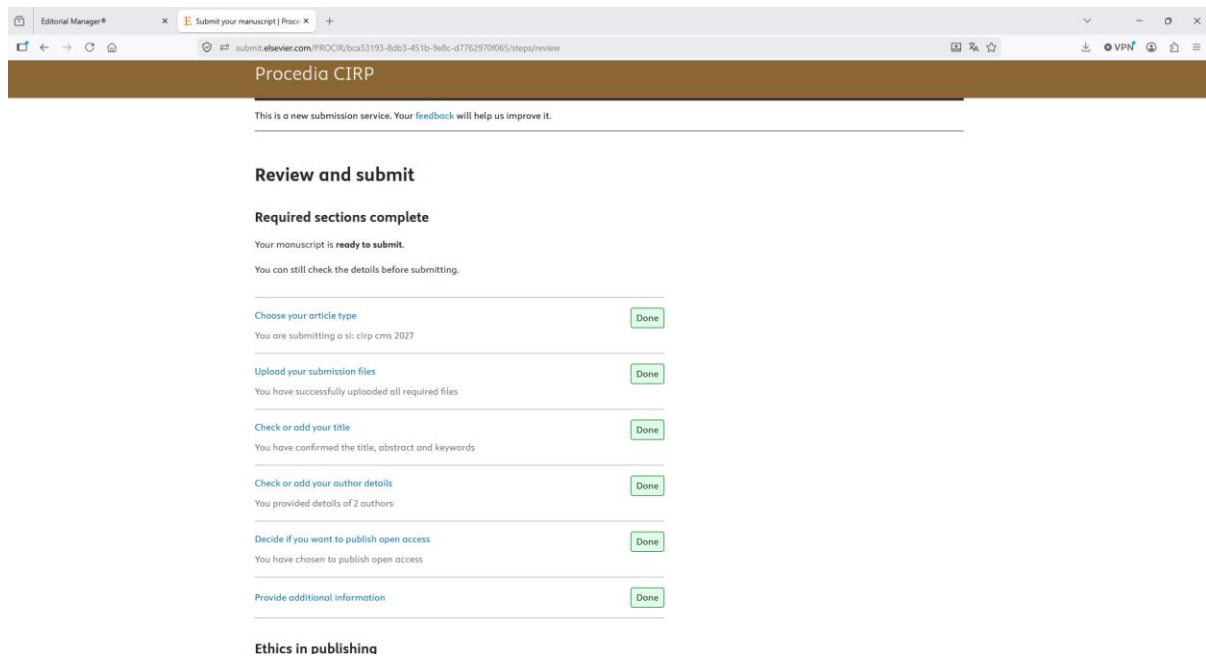

Data in Brief and MethodsX: co-submission

You can submit **data, methods or protocols** related to your manuscript as a co-submission article in [Data in Brief](#) or [MethodsX](#). If your co-submission is successful this will incur an additional publication charge.

Review and Submit

Review all entered information and uploaded files.

Once you are satisfied that everything is correct, click **Submit**.

Here's what you submitted

Submitted: 12:12, June 26, 2026
Journal: Procedia CIRR
Article type: SI: CIRR CMS 2027
Title: Test Paper
Authors: 1. Wiktoria Okrajni TU Wien

If you experience any technical difficulties during the submission process, please contact the cms2027@tuwien.ac.at and include screenshots of any error messages you encounter.

Common Issues

- **What should I do if I cannot log in?**
 - Please use the **“Forgot Password”** option to reset your password. Alternatively, you can sign in using your ORCID account.
- **What should I do if the submission fails?**
 - Please ensure that all required fields have been completed. Elsevier only accepts submissions when every mandatory field is filled in and marked with a green indicator by the submission system.
- **I did not receive the confirmation email. What should I do?**
 - Please check your spam or junk folder. If you still have not received the confirmation email, please contact Elsevier Support directly.
